LINE DANCE FLOOR ETIQUETTE GUIDE

Here are just a few guidelines to help keep the dance floor a happy and safe place to be!

- Always enter and exit the floor safely—avoid cutting across dancers.
- If a dance is already in progress, join in at the back or sides,
- Leave enough room between lines so everyone can move freely.
- Keep all personal belongings (bags, drinks, coats) off the dance floor.
- If you don't know the dance being done, it is fine to start a floor split but please do this towards the back, not in the middle of dancers already on the floor
- Smile, encourage, and welcome newcomers.
- If you bump into someone, a quick apology goes a long way
- Don't worry if you make a mistake—we all do it and everyone started somewhere!
- Please think about your space and don't take any big movements that risk you colliding with other dancers.
- Keep drinks and food away from the floor to prevent spills—absolutely NO drinks on the dancefloor at all.

**ENJOY THE MUSIC, RESPECT EACH OTHER,
AND KEEP THE DANCE FLOOR FUN FOR ALL**
